We are your partner in problem solving!

We develop creative solutions to meet the unique challenges of your business. By providing personal service with a professional staff and reliability unsurpassed in the industry at a competitive rate, CCH has become Hawaii's #1 transportation and delivery service provider.

Providing door to door, ocean transport services to the neighbor islands daily. CCH also provides container break down and storage of your ocean freight in our downtown, climate controlled and secure facility.

Providing same day, next flight air transportation - statewide, nationwide and international services.

Providing residential and business (door to door) delivery on all islands. Specialty services include lift gate trucks, container hauling and container spots (load, unload and return).

Providing fast efficient and economical delivery service including desk to desk delivery with downtown walkers offering coverage of every major building on a continuous basis.
